Re: Request for correction of PALM Database regarding  
Power of Attorney  
**United States Serial No.: 10/666,399**  
**Filing Date: September 18, 2003**  
Docket No.: P0298US-7

Dear Sir:

We are requesting that the PALM Database be corrected concerning the Power of Attorney for the above-referenced patent application. A copy of the Power of Attorney which was filed on September 18, 2003 is enclosed. All practitioners associated with Customer Number 23935 were appointed as attorneys.

The serial number 10/666,399 was sent by our firm to the PTO Electronic Business Center (EBC) for uploading. All practitioners associated with Customer Number 23935 signed the cover letter authorizing the upload. The EBC returned this as rejected, indicating that the individuals who signed the cover letter were not on the Power of Attorney. We believe the PALM database contains error.

Please advise when the PALM Database has been corrected so we can send in this serial number to the Electronic Business Center.
